We can't wait to see you again in real life.

Anthem believes in whole-person care. We want you to feel covered, protected, and confident during Staffing World 2021. That's why we have provided you with the following items:

- ▶ **A YETI rambler.** It can keep your beverage cool or hot.
- ▶ **Mints.** Stay fresh while asking about our FlexHour plans.
- ▶ **Hammond's Midnight Snack Chocolate Bar.** It's a chocolate bar that has it all.
- ▶ **Hammond's Trailblazer Super Snack Mix.** This delicious mix will fill you up.
- ▶ **Hand sanitizer.** You can never have enough, so we're giving you more.

Hammond's and Blue Cross and Blue Shield have been around since the 1920s and seen a lot of change — especially today. The pandemic has permanently altered how people work, with flexibility and safety becoming top priorities. Providing health benefits to your full-time hourly, part-time, and contingent employees is a big step you can take to support health equity and reward or attract talent.

Anthem FlexHour plans offer a customized benefits package, including turnkey administration that's easy to implement. FlexHour plans can help give your employees peace of mind knowing they have access to high-quality care at lower costs. You can feel confident knowing there's no financial risk to your company.
